LOCAL NOTICE TO MARINERS – 2/2023

Dredging operations in main channel

Summer season – commencing Monday 12 June 2023

Date of issue: 9 June 2023

Mariners are hereby advised that dredging operations will take place in the main channel at Lossiemouth Marina during the Summer season of 2023.

Whilst the manoeuvrable platform is working in the main channel, all vessels are to contact 'Lossiemouth Marina' or 'Lossiemouth Dredging Platform' on VHF channel 12 prior to approaching the channel. This is to ensure safe access.

Mariners are advised to navigate with caution and that temporary restrictions to vessel movements may occur. Further direction will be issued via VHF if required.

For the safety of operatives, the North pier will be temporarily closed to members of the public whilst dredging operations are performed in the main channel. Signs will be in situ to advise when no access is permitted.
