

ELGIN AND LOSSIEMOUTH HARBOUR COMPANY

NOTICE TO MARINERS: 2/2024

Date of issue: 5 June 2024

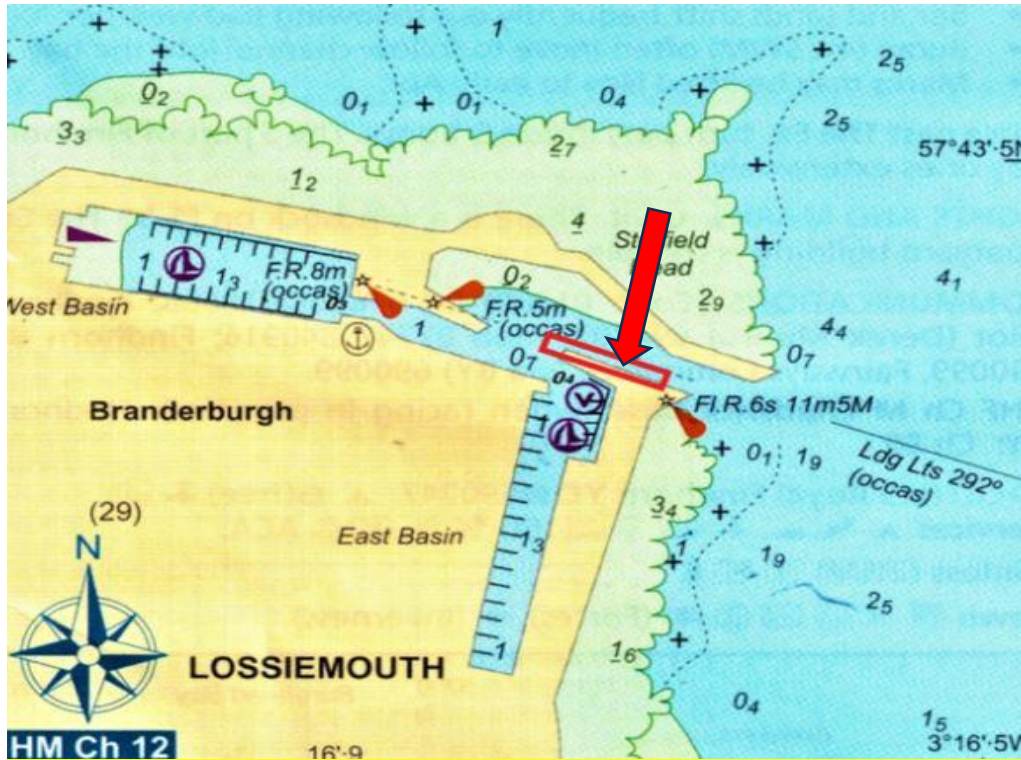

MAIN CHANNEL: SOUTH PIER

Major repair work will commence week beginning 17 June 2024 at Lossiemouth Harbour on the South pier within the main channel.

Divers will be in this area during the period of repair – timescale is approximately two weeks.

Access will be available to Mariners in the main channel with the following restrictions:

- Temporary marker buoys will be in situ, circa 10 metres North and South of the works and approximately 5 metres from edge of the pier.
- All required markers and flags will be in clear view to highlight location of the divers.
- Mariners are asked to take due care and attention when in the main channel with a speed restriction of 5 miles per hour. Confirmation for clearance can also be requested on VHF Channel 12 or by telephoning the Marina Office on 01343 813066 – subject to office hours.

Area of works shown by red arrow above

Should further information be required, contact the Marina Office on 01343 813066.
