NOTICE TO MARINERS – 2/25

DATE OF ISSUE: 24 OCTOBER 2025

VARIATION TO MARINE LICENCE MS-00011282

PIER-BASED BUCKET DREDGE OPERATIONS – EAST BASIN

Mariners, residents, commercial tenants and members of the public are advised of dredging operations via a pier-based crane and bucket dredge within the East basin, commencing week beginning 3 November 2025 – for approximately one week, weather depending.

The plant equipment will be positioned on Pitgaveny Quay.

This temporary method will affect access as follows:

- Mariners – restricted access within the East basin during times of dredging.
- Members of the public – restricted access to carparking on Pitgaveny Quay.

There should be no obstruction to carparking for private residents on Pitgaveny Quay.

Hours of operation will be during daylight hours.

Members of the public are asked not to loiter in the area during times of dredging operations for their own safety.

All enquiries are to be directed to the Harbour Master or the Assistant Harbour Master on **01343-813066** or info@lossiemouthmarina.com
